I am not opposed to 30 days, and I do consider it a supplemental MSJ, so however you want to address it is fine with me.

Andrea,

I believe I should have 30 days under the local rules to respond to your supplemental MSJ, but I want to make sure. Would you oppose 30 days? If not, do you think I should handle it as a motion for extension or a notice that the parties consider it to be a supplemental MSJ? Thanks.
